Terms and Conditions

The YEO2026 promotion cannot be combined with any other promotion or discount. All bundled or multiproduct orders must be purchased on the same PO to qualify for the promotional offers. The promotion may be applied only to eligible products advertised in this flyer. If the YEO2026 promo code is not provided at the point of purchase, it can NOT be applied retroactively and is not valid on prior purchases. The promotion expires December 31, 2026. Valid for customers in the United States and Canada only. All purchases for the YEO2026 promotion must be made on the Miltenyi Biotec website to qualify for any of the promotional items (umbrella, water bottle, bento box, pop socket, backpack, keychain, and free shipping). Offer limited to only one promotional item (umbrella, water bottle, bento box, pop socket, backpack, keychain, or free shipping) per PO. The free shipping offer DOES NOT APPLY to blood, clinical products, instruments, media, and buffers. For the free shipping offer, our customer service team will send you an updated invoice that reflects the free shipping amount. 1) Must purchase a minimum of 2 items on the same PO to qualify. No limit. 2) Must purchase a minimum of 3 items on the same PO to qualify. Limit to 15. 3) Must purchase a minimum of 3 items on the same PO to qualify. Limit to 15. 4) Purchase must be made on the same PO to qualify. No limit. 5) Purchase must be made on the same PO to qualify. Limit to 5. 6) Buy an autoMACS NEO Separator bundle (130-055-973 with 130-123-093 MACS MiniSampler S) and get a free MultiMACS Cell24 Separator (130-098-637) or a gentleMACS Dissociator (130-093-235). 7) Contact your local sales representative for more details. 8) Must purchase a minimum of 3 items on the same PO to qualify. No limit. 9) Must purchase a minimum of 3 items on the same PO to qualify. No limit. 10) Must purchase at least one gentleMACS Perfusion Kit (130-128-030 or 130-134-266) and one pack of gentleMACS Perfusers (130-128-151 or 130-134-803) on the same PO to qualify. No limit. 11) Purchase must be made on the same PO to qualify. No limit. 12) Must purchase a minimum of 3 items on the same PO to qualify. No limit. 13) Purchase must be made on the same PO to qualify. Offer excludes GMP products. No limit. 14) Must purchase a minimum of 2 items on the same PO to qualify. Limit to 10. 15) Must purchase a minimum of 3 items on the same PO to qualify. No limit. 16) Must purchase a minimum of 2 cell stimulation reagents (at least one of which is T Cell TransAct) on the same PO to qualify. No limit. 17) Must purchase a minimum of 2 items on the same PO to qualify. No limit. 18) Must purchase a minimum of 2 items on the same PO to qualify. No limit. 19) Purchase must be made on the same PO to qualify. No limit. 20) Must purchase a MACSQuant Tyto Cell Sorter (103-130-931) and MACSQuant Analyzer 10 (130-096-343) on the same PO to save $172,889 USD or $286,691 CAD. No limit. 21) Contact your local sales representative for more information. 22) Must trade in an old spatial biology system in order to qualify. Limit to 2.
